## **INTERNATIONAL SUPERCAR CELEBRATION IN THE SWISS ALPS: THE CHEDI ANDERMATT TO HOST SUPERCAR OWNERS CIRCLE CLASSIC 2025**

**The alpine destination of Andermatt will once again host an exceptional gathering of rare classic cars and iconic Youngtimers in a setting that blends timeless design, thrilling roads and luxury hospitality. From 27th until 29th June 2025, Supercar Owners Circle (SOC), the world's most exclusive network of car collectors and connoisseurs, will return to The Chedi Andermatt, a luxurious five-star hotel that serves as both the venue and soul of the event.**

Participants will include collectors from across the globe, including Switzerland, Germany, Italy, Saudi Arabia, USA, Netherlands - bringing with them exceptional cars and stories to create unforgettable memories in the majestic Swiss Alps.

SOC Classic Andermatt is not merely a rally or a concours—it's a uniquely curated experience that revives the spirit of automotive history while celebrating camaraderie among a global community of enthusiasts.

Throughout the weekend, SOC Members will enjoy breathtaking drives on closed alpine roads, including the legendary Furka and Oberalp Passes. These scenic routes, steeped in motorsport lore, will be reserved exclusively for participants, offering a rare chance to fully engage with their vehicles in the environment they were built for - culminating in a high-energy gala dinner inside The Chedi's garage surrounded by the very machines that define the occasion.

The event will feature a hand-selected mix of automobiles—from elegant pre-war models to powerful youngtimers—united by their rarity and historical significance. While the exact lineup remains under wraps, guests can expect a gathering of icons that have shaped automotive heritage—cars seldom seen in public and even less often driven as intended.

Among the standout cars are the Lamborghini Diablo SE30, Ferrari 275 GTS, Ferrari 275 GTB, Porsche Carrera GT, Ferrari F40, Porsche 993 GT2 and Porsche Carrera GT. Plus, the Porsche 993 GT2 Le Mans Winner, which will be driven on a public
